RE: Michai Stephens, Letter of Personal Recommendation

Dear Sir or Madam:

Two years ago, I was part of the USA Scholarship Committee that annually determines two finalists who participate as race drivers in a year-end championship in England. The final choice is made entirely upon their ability, and how they would represent the Scholarship.

Micahi was by far the best representation for the U.S.A. in the race car, but more importantly when not wearing his driver's helmet. As a spokesperson, his articulation and attention to the entire room is extraordinary.

His integrity of effort transcends his ability to perform. He is very eager to learn; actually listens; and, determines directional action through a driven & positive demeanor.

There is not a doubt that whatever direction he chooses, it will be directed by tireless performance.

Please contact me for any additional questions.

Thanks,
